Director's Message

Er. Arvind Tripathi
(Director & HOD, Chemistry)
B.Tech. IIT-Varanasi (BHU)

Momentum created in 2004 by the vision and toll of Er. Arvind Tripathi, a Chemical Engineering Graduate from IIT-Varanasi (BHU) and Er. Vikas Agrawal, a Metallurgical Engineering Graduate from IIT-Varanasi (BHU). We had a very humble beginning as a Premier Institute for IIT-JEE with a vision to provide an ideal launch pad for serious JEE aspirants. Along the way to the realisation of the vision, we went beyond merely coaching for IIT-JEE. We actually started to make a difference in the way Students think and approach problems. We started to develop way to enhance Students IQ. We started to leave an indelible mark on the Students who have undergone Momentum training. We started changing lives. And all of this was not a sheer coincidence. It was the urge, the compelling desire, to always aspire for perfection and in the process, continuously keep on setting newer benchmarks of excellence which enabled us and our Students to achieve what we have achieved. Today, aiming for the unachievable and continuously raising the bar has become a part of the MOMENTUM. The success of our Students was inspiring and so was their faith in Momentum. Now we have come-up with our Medical (NEET-UG) division for students aspiring to become doctors and we promise to deliver same quality education and results years to come.

“ This Journey from just an IIT-JEE Coaching Institute to the most powerful brand in Eastern U.P. for serious education has been exhilarating. However, the Journey is not over yet. We are here with our Medical division (NEET-UG).

For us, at Momentum. The Journey will never be over.

For us, this Journey itself is the destination. ”
