REWANT KUMAR RAI
Foundation Batch

I Rewant Kumar Rai joined Momentum in 2022. I was nervous about my preparation for the JEE but settled in quite well after some time. The environment here has been perfect for my growth and under the guidance and support of my teacher I have experienced an amazing growth in myself. Even though I have been introverted and a bit hesitant in speaking, I have always found myself comfortable in communicating my problems with my teacher. I would like to thank my parents, Arvind Sir, Varun Sir, all the teachers and all the staff for their support and all the best!

CITY TOPPER IN GIRLS

I Siddhi Agrawal has been a student of Momentum Betiahata and I scored 99.51% in JEE Main. The support and guidance, my parents and teachers gave me throughout my preparation made me achieve this. A special thanks to Arvind Sir and Arvind Sir who stood by even when I felt demotivated and did not perform well. They never left my side. I am very grateful to them for making me so comfortable that I can recall up to late nights. I felt that things are tough for me, that things are tough for me. But Siddhi Sir, who taught me to face the challenges and always helped me deal with my anxiety.
