**CHOOSE THE BEST
MOMENTUM**

Eastern UP's Biggest Talent Encouragement Exam

A Platform where a child's current IQ, Aptitude & Academic Potential are Scientifically Measured and Rewarded

In its 9th edition now, MTSE has already become most preferred examination for the students of eastern UP and Bihar to compete and assess their potential & performance. Every year MTSE filters the best talent through rigorous testing and has set examples of transforming the top performers into IITians and Doctors.

MTSE (Momentum Talent Search Examination) also a knowledge and aptitude test to be conducted by MOMENTUM in order to give a platform for the future IITians / Doctors of eastern UP and Bihar to reward or nurture talented students and aid them in fulfilling their career aspiration.

After conducting **Eight** successful versions of MTSE, MTSE welcomes all the students with a more refined structure and for more prizes than ever.

or

Online: <https://momentumcoaching.in/mtse>

Why **MTSE**

In order to identify and nurture the talented students, MTSE is yearly competitive exam designed for school students (Class 6th to 11th) by Momentum Education Pvt. Ltd. This exam aims at cultivating scientific and mathematical reasoning & logical ability among the students through a rigorous test.

We have initiated this program as our corporate social responsibility to reach out, spot, reward & nurture talented students and to support them in fulfilling their career aspirations with expert assistance and solution to every students through an organised structure of counselling.

MTSE

Benefits to the Students

Teaching Methodology

- Concept & application based learning
- Interactive & engaging lectures
- Integrated approach focusing on competitive & school exams

Study Material

- Well-researched & analysed
- Comprehensive & meticulously designed
- Based on latest syllabus & exam pattern

Regular Tests & Assessments

- Detailed test analysis with error analysis report
- Simulated tests based on latest exam pattern

Doubt Clearing System

- One-to-one interactive session with subject experts
- Detailed & simplified solutions

Feedback System

- Timely updates on performance & attendance
- Query/ grievance redressal

Video Library

- Digital Product (Recorded Video Lectures, e-Content, e-Test Papers/Series)

What makes **MTSE Different?**

Momentum's Winning Edge

What distinguishes MTSE is Momentum Education Pvt. Ltd. itself. Momentum's unmatched pedagogy & history of delivering the best results have earned it the stature of being a frontrunner institute in IIT-JEE, NEET (UG), National, and International Olympiads, KVPY, and NTSE Preparation.

Realistic Competition

MTSE has the power of offering you the most realistic competition, with students enrolled in Momentum from different part of Eastern U.P.. Momentum is home to brilliant minds who achieved top Ranks in IIT-JEE (Main & Advanced) & NEET (UG).

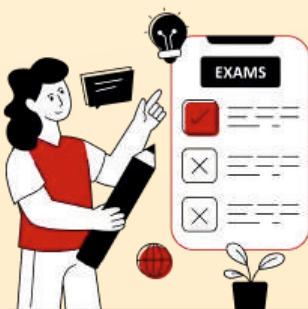

Knowing Current Academic Capabilities

You & your child need to discover your child's current academic capabilities especially aptitude, comprehension skills, analysing capability, general IQ & IQ specific to the career choice.

Knowing Academic Inclination for a stream

No one career is for every child. It is important for you & your child to discover his / her subjectwise aptitude at an early stage, so that correct stream is chosen in class XI to prepare earnestly for a successful career in the chosen stream.

Discovery through Scientifically Designed Tests

All the above can't be done through just any test. A child needs scientific testing that also has a pattern similar to various prominent National Level competitive & scholastic exams.

MTSE Course Offered

Pre Foundation

[MUON, PHOTON & QUANTUM]

(VIII, IX & X Studying)

Course Description

This course is designed to develop (1) Mathematical aptitude, (2) Scientific temperament, (3) Logical thinking, (4) Reasoning skills & (5) Problem solving skills of the student and prepare them for future competitive examinations while they are studying in the school to take early lead in competitive scenario.

While taking care of School & Board syllabus, the short term goal of this course is to prepare student for NTSE/STSE, Science & Maths Olympiad & National Standard examination. The long term objective of these courses is to lay strong foundation of Science & Maths concepts students to get success in future competitive examination like IIT-JEE (Main+Advanced) / NEET (UG) etc.

The teaching methodology of this course emphasizes on understanding each concept to grass-root level fit make student competent & confident to achieve success in school/board and competitive examinations.

Duration : 5 Months in each Academic Session

Start : April/May/June/July

Completion : September/October

Class Schedule : 3 Lectures per day, 4 Days a week

Admission Process

- Form & Prospectus will be available from 1 January 2024
- Direct Admission or through Admission cum scholarship test.
- Eligibility VII/VIII/IX/X/XI Passed in 2024, with minimum 80% aggregate.

LEARNER

(XI appearing students)

This course is specially designed and developed for students studying in Class XIth aspiring for admission to IITs, other engineering and medical colleges. This course synchronizes IIT-JEE (Main+Advanced)/NEET(UG) preparation and school studies that will help in getting excellent results in Class XI exams with effective coaching for IIT-JEE (Main+Advanced)/NEET(UG).

While building up the foundation, this course simultaneously develops quick analytical thinking and systematic problem solving skills in students, which is essential to succeed in IIT-JEE(Main+Advanced)/NEET(UG) Now any student appearing in IIT-JEE (Main+Advanced) can have only two attempts, one while appearing in XIth examination and other after completing the XIth. Earlier starting IIT-JEE(Main+Advanced)/NEET(UG) preparation at XIIth level was giving an edge but now it has become mandatory, If you desire, dare and dream to reach the top in IIT-JEE(Main+Advanced)/NEET(UG) with excellent school performance, this course is just for you.

- Students enrolling in this program will have an integrated study plan.
- The studies for both Boards as well as IIT-JEE (Main+Advanced)/NEET(UG) will be covered by Momentum.
- Students will be provided with comprehensive study material by Momentum.

FOCUS

(XIth appearing students)

This course has been developed with a holistic approach to both the board studies as well as IIT-JEE (Main+Advanced)/NEET(UG) preparation. This course will prepare students well for not only IIT-JEE (Main+Advanced)/NEET(UG) but for Board exams also. This approach will ease out the pressure of lack of time for the student, unlocking lots of time required for self-studies. We also cover the syllabus which is not in competitive examination but part of Board examinations. With personal attention on each student from best faculties, this course builds solid foundation of fundamentals, the logical problem solving approach, the competence and the winning attitude so essential to succeed in IIT-JEE (Main+Advanced)/NEET(UG). This course is meant for you, if you are Intelligent, hard working and ambitious student with burning desire to get into IITs & Top Medical Colleges without loss of a year. Admissions to this course is through a test. Students are checked for the ability so handle the pressure of rigorous study involved in this course through this test.

- A study program with a synergistic approach to both the Board studies as well as IIT-JEE (Main+Advanced)/NEET(UG) preparation.
- A program for both Boards as well as IIT-JEE (Main/Advanced)/NEET preparation that will compliment each other.
- A program that will prepare students extremely well for not only IIT-JEE (Main+Advanced)/NEET(UG) and board exams but for all other Engineering&Medical entrance exams, Olympiads etc.
- A program that eliminates the opposite pressure forces on the student.
- Students will be provided with comprehensive study material by Momentum.

AMBITION

(XIth passed IIT-JEE (Main+Advanced)/NEET(UG) aspirants

This course is designed and developed for XIth passed students who aspire for IITs, NITs and other engineering colleges and Top Medical Colleges, This course provides you long sustained practice with the widest possible coverage of theory and problems in a highly competitive environment. This is an intensive classroom coaching program spread over a year, This course help in understanding the fundamentals and develops logical and methodical approach to problem solving and offers the right mental state that you need in IIT-JEE (Main / Advanced)/NEET to face them with supreme state of competence and confidence, We understand the importance of your one-year. If you are very dedicated and hard working with lost one dreams "success in IIT-JEE (Main+Advanced)/NEET" this course is Just for you.

- A study program that will ease out the pressure of time for the student, unlocking lots of new methods of study giving enough time for self studies.
- Will make strong understanding of fundamentals - one major requirement to clear IIT-JEE (Main+Advanced)/NEET & other Engineering Entrance Exams.
- There are separate batches for IIT-JEE (Mains+Advanced) & NEET (UG)
- Students will be provided with comprehensive study material by Momentum.

PERFECTION

(Test and Discussion)

This course is designed for XIth studying and XIth passed students who have a burning desire to succeed in IIT-JEE (Main+Advanced)/NEET, but couldn't avail the opportunity to join our regular courses. Under this course, a set of part tests and full tests are designed strictly according to the syllabus and pattern of IIT-JEE (Main+Advanced) & NEET. Part test are conducted at regular intervals till the end of January. Full test are conducted during February to April. The tests are conducted under proper examination environment,. After each test, test papers are discussed, and papers are subsequently returned to each students with individual suggestions. If you are worried about your level of preparation and want to know where your preparation stands, this course is Just suited for you.

MOMENTUM HISTORY

Our **Success Story** in Engineering Entrance Exam JEE (Main & Advanced) /NEET (UG)

2004

Momentum started by two IITians at Betiahata Chowk, Gorakhpur

2005

8 students selected in IIT-JEE in very first year. AIEEE – 25 selections, UPTU – 21 selections, 8th rank of Alpika Shukla in UPCPMT

2006

IIT-JEE – 14 selections, AIEEE – 88 selections, UPTU – 61 selections (within 5000 rank)

2007

IIT-JEE – 33 selections, AIEEE – 131 selections, UPTU – 89 selections (within 5000 rank)

2008

IIT-JEE – 38 selections, AIEEE – 143 selections, UPTU – 127 selections (within 5000 rank), IIT-JEE AIR – 97 and AIEEE AIR-68 achieved by Utkarsh Lath.

2009

IIT-JEE – 132 selections, AIEEE – 201 selections, UPTU – 228 selections (within 5000 rank)

2010

IIT-JEE – 46 selections, AIEEE – 285 selections, UPTU – 320 selections (within 5000 rank).

2011

IIT-JEE – 53 selections, AIEEE – 328 selections, UPTU – 364 Selections (within 5000 rank)

2012

IIT-JEE – 67 selections, AIEEE – 346 selections, UPTU – 90% of admitted students selected

2013

JEE Main – 382 selections, JEE Advanced – 83 selections, UPTU – 91.3% of admitted students selected

2014

JEE Main – 412 selections, JEE Advanced – 87 selections, UPTU – 92.5% of admitted students selected

2015

JEE Main – 415 selections, JEE Advanced – 67+ selections, UPTU – 94% of admitted students selected

2016

JEE Main – 423+ selections, JEE Advanced – 78+ selections, UPTU – 95% of admitted students selected

2017

JEE Main – 439+ selections, JEE Advanced – 91+ selections, UPTU – 96.2% of admitted students selected

2018

JEE Main – 452 selections, JEE Advanced – 88 selections, UPTU – 96% of admitted students selected

2019

JEE Main – 510 selections, JEE Advanced – 73 selections, UPTU – 96.3% of admitted students selected

2020

JEE Main – 567 selections, JEE Advanced – 58 selections, UPTU – 97% of admitted students selected

2021

JEE Main – 591 selections, JEE Advanced – 61

2022

JEE Main – 610 selections, JEE Advanced – 68

2023

JEE Main – 623 selections, JEE Advanced – 68 & NEET (UG) – 10+ selections

2024

JEE Main – 628 selections, JEE Advanced – 51 & NEET (UG) – 15 selections
